Subject: Cultural Resources Concurrence Request, TM Crushing LLC, TM Crushing Elberta #2 Mine, S/049/0092, Utah County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from TM Crushing to conduct small mining operations in Section 19, Township 10 South, Range 1 West, Utah County, Utah. Enclosed with this letter are copies of the cultural resources survey report and the location map provided by the operator. The survey found no cultural resources within the project area.

The Division of Oil, Gas and Mining has determined there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
